Valued Customer,

Direct Wire Service (DWS) would like to inform our customers that we have achieved an ISO 9001:2015 certification. Started in 2001 by partners Dave Berger and Eric Barlage our business scope presently includes the building of new tooling, job shop services and CNC production machining. We will continue to strive on being an asset to our customers operations.

DWS also would like to notify our customers that we have recently added to our floor space, going from 6,000 sq. ft. to 12,000 sq. ft. We have added additional new machine tools including a 3rd Wire EDM, a Hurco VMX 64 and a Marvel Vertical Tilt Band Saw.

DWS will also continue to use Direct Tooling Concepts, Inc. (DTC), owned by Dave Berger, as a sub-contract design source. DTC produces 3D or 2D designs using Solid Works as its primary software and also Inventor or AutoCAD.

Our Certificate of Registration is also attached in the notification e-mail along with an equipment list.

Warm regards,

Dave Berger, President, General Manager
